Jackson Energy Authority Receives the “Best Place for Working Parents” Designation

Jackson, TN – Jackson Energy Authority (JEA) has earned The Best Place For Working Parents® Business Designation in recognition of JEA’s commitment to supporting working parents through family friendly policies and practices. The Best Place for Working Parents® is a growing national network of business leaders proving that family-friendly is business friendly.

“JEA values our employees, as well as our customers and our community. Our employees continue to be our greatest asset and implementing family friendly policies reflects and supports that belief”, stated Monte Cooper, JEA’s President & CEO.

JEA employee Catie W. stated, “I am so thankful and blessed to work for Jackson Energy Authority; a company that makes family and working parents a priority. As a new mom, having this extra time with our new baby will always be cherished.”

The Best Place for Working Parents® is a growing national network of business leaders proving that family-friendly IS business-friendly. Originating in Fort Worth, Texas, The Best Place for Working Parents® seeks to support businesses with research-backed strategies that benefit working parents AND businesses’ bottom line. Learn more at www.bestplace4workingparents.com/Tennessee and www.bestplace4workingparents.com.

Jackson Energy Authority is one of very few public utilities in the nation to offer all major utility services from one company. Outstanding customer service paired with the strength of diversity in services and commitment to community has enabled JEA to maintain its mission: to create value for customers and help improve the quality of life in our community.
